

## Biggleswade History Society

Dear Members

In view of the latest Government recommendations regarding the coronavirus, the committee members have decided to postpone the April AGM meeting scheduled for Monday 6<sup>th</sup> April, for the foreseeable future.

We will keep members informed about future developments via our website [www.biggleswadehistory.org.uk](http://www.biggleswadehistory.org.uk) as well as in the Biggleswade Chronicle (if it is still able to publish).

Hopefully the situation will soon return to normal so we can enjoy some of our summer programme before embarking on the indoor season, when we hope to have talks on Chicksands Priory, Methodism, Biggleswade Workhouse, the History of Funerals, and Bedfordshire Churches part 111.

The archive team will probably have to cease work for the time being but don't let that stop you from sending in your research questions. The team members will do what they can to help, but just don't expect an immediate response, please.

Hopefully the next newsletter can be published at the end of April but this will depend on the health of the printing team, the state of the nation and governmental decrees.

In the meantime we ask that you please renew your membership for the year 2020/21 sending payment to either Jennifer or Johannes.

If you have any queries please do not hesitate to call Jennifer on 01767-313407

The committee members wish you all well during this difficult time and ask for your continued support.

Jennifer

J. Topham – Chairman, Biggleswade History Society
